

CAPTIONING INITIATIVE

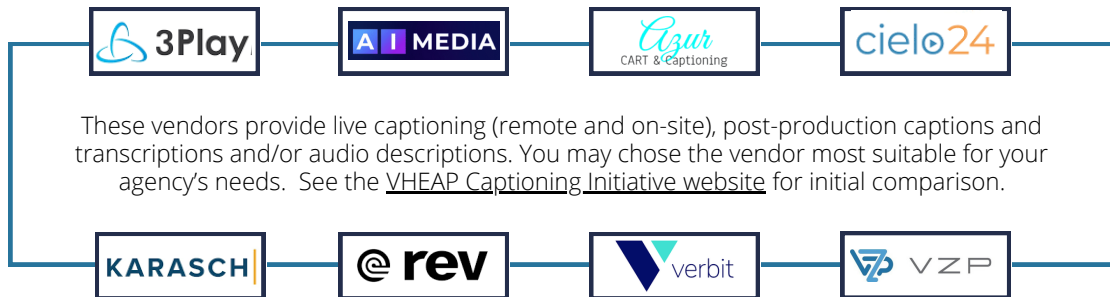

<https://vheap.org/vheap-captioning-initiative/>

Initiative

Captioning agreements, all under state contract, allowing for cooperative procurement of live captioning (remote and on-site), post-production captioning and transcription, and audio description are now available!

These cooperative purchasing agreements offer many advantages to *all* state agencies, K-12 school districts, and post-secondary institutions.

Eight Vendors

Benefits

EVERYONE

Vendors abide by state contractual stipulations & *all* state agencies can participate.

NO HASSLE

Contracts are complete. No execution of a separate agreement is required.

LEVERAGE

Leverage the spend of the larger entities to benefit the smaller entities.

LOW COST

As low as \$1.12/minute for post-production captioning.

REPORTING

All vendors follow [Virginia Higher Education Procurement Consortium](#) reporting requirements.

PROTECT

Vendors have already undergone UVA IT Security/Data Protection review.
